

Amiblu®

Project plans is what you like? Follow up is not just a phrase for you but it's in your gens? When talking about Prince2, you do not necessarily think about Prince Harry?

Then apply today - we look forward to receiving your application (Curriculum vitae, salary expectations, availability)! Please send it to jobs@amiblu.com.

To strengthen our **Group IT-Team** in Klagenfurt, we are searching for a **Project Manager m/w/d**

Amiblu designs and supplies **world-class GRP pipes and fittings** with an exceptionally long lifetime. Our aim is to solve the world's water, sewer, and energy challenges in a future-oriented way. We are experts in GRP system solutions for wastewater, stormwater, drinkingwater, irrigation, hydropower and industry applications.

Our long-term experience of more than half a century in **GRP production and research** makes us fit for future challenges. We employ around 1,500 people worldwide.

According to our collective agreement, the monthly remuneration for this position is EUR 3,450 based on full-time employment. Qualifications and position-related experience are, of course, rewarded according to market standards.

IT - Project Manager m/w/d

Your responsibilities:

- Management of company-wide IT-projects
- Steering of all project related aspects
- Project documentation
 - Defining milestones
 - Creation of the project plan
 - Carrying out project meetings
 - Preparation of status reports
- Monitoring the time schedule, progress incl. project costs

Your qualification:

- Project Management Skills: PMA Level D or C certification or Prince2 would be an advantage
- Work experience in the field of project management
- Affinity for IT
- Teamplayer with good communication skills
- Fluency in English
- Self-confident and open personality
- Very good MS-Office skills

Our offer:

- Wide individual scope of action
- Introduction and ongoing training
- Further professional development in the field and beyond
